

## **2024 CMA MN Statewide Scavenger Hunt Rules**

### **July 19-21**

#### **When**

Your chapter has 3 days to complete as many objectives as possible. The game will start on Friday July 19 through Sunday July 21. All pictures must be posted before midnight on Sunday, pictures posted after that time will be disqualified for points.

#### **Where to post**

All pictures should be posted to the CMA MN Facebook page. Please tag each photo on Facebook with your chapter name and the corresponding objective number found on the game card. This will simplify the scoring process. Everyone is encouraged to take pictures throughout the day and post them to the MN Facebook page.

#### **Suggested Donation**

Entry \$10 per bike/vehicle

100% of funds will be donated to the Run for the Son in the winning chapter's name.

If you do not/cannot ride a motorcycle, chase vehicles are welcome to join in the fun. They must be chasing at least one motorcycle/trike. The mileage of the chapter member chase vehicles may be included in the mileage bonus.

Each chapter should collect participation funds on the day of the game and coordinate sending them in to the MN state treasurer, or arrange to bring them to the No Borders/Northern Lights Rally in August. Upon the conclusion and the declaration of the winning chapter, these funds will be forwarded to National as a Run for the Son donation in the winning chapters name.

#### **How to play**

There are a total of 11 objectives. Your chapter may complete or skip as many or few objectives as you would like. You may also complete them in any order.

Most objectives have an opportunity to earn up to 3 optional bonuses. You may choose to opt in or out of any bonus of your chapters choosing.

You cannot get credit for a bonus without completing the corresponding objective.

Special note on Objective 1 Law enforcement. Be mindful of the officers personal space, don't surround them, ask permission to place a hand on their shoulder when praying, and stay away from their firearms.

## **Mascots**

Each chapter should pick their own mascot. It can be a stuffed animal, garden statue, toy motorcycle, use your imagination. Your mascot must appear in all pictures. In some cases, you may be able to complete the objective and all bonuses in one picture. In other cases, you may need to send a separate picture for the objective and the bonus. Either case is OK and up to you on how you would like to submit.

## **When your chapter is done...**

Take a picture of the completed score card and post it to the CMA MN Facebook page. This will signify that your chapter has completed all objectives and events you intend to complete and are ready for scoring.

The winning chapter will be announced at the MN No Borders/Northern Lights Rally in August

## **Have fun**

The purpose of the game is to get out in the community, show the love of Jesus, bless others, and use our motorcycles in a fun way to reach the lost with the message of salvation. This is a great opportunity to bless hundreds of people across our state in just one weekend while having a great time. Be safe and have fun.
